WHO WE ARE

Hugh Technolabs is a one-stop platform to attain end-to-end Software Development and Digital Marketing services. Been in the industry for nearly a decade, HTL retains its strong-suite in Customising Services as per Client Requirements. Our team spends an adequate period in comprehending the in-and-out gist of the product before channelling it through our services.

'You bring us an *idea*
and we make it a brand.
You give us a brand,
and we make it into a *legacy*
like no other.'

WHAT MAKES US **DIFFERENT**

WEBSITE DEVELOPMENT

A website is like a **virtual home** to any brand. And in present times, it has become an obvious assumption about a progressive business having a website of its own. HTL excels in providing a step by step development process from content development, architecture design, coding, network security configuration, and testing of the website. **Our services can be modified** as per your requirements and the websites we develop are compatible to be viewed on different devices.

We develop **different types of websites** like - Business Websites, Brochure Websites, Magazine Websites, E-commerce and Woocommerce, Portals, Blogs, Portfolio Websites, Landing Pages, etc.

MOBILE APP DEVELOPMENT

Many domains like educational, e-commerce, informative brands, etc. require a need of having a Mobile Application. Mobile Apps are easy-to-use with **online and offline access** that can deliver more personalized content and rich features than other platforms. HTL provides services to develop **iOS and Android apps** with quick functionality and various features like GPS, camera, fingerprint lock, etc.

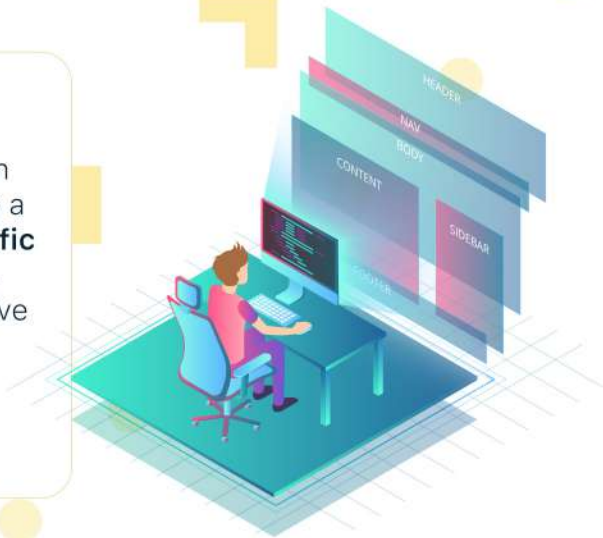

DIGITAL MARKETING SERVICES

Hugh Technolabs excels in providing **top-notch Digital Marketing Services** to its clients. We conduct extensive research to understand the market and audience of our customers to generate marketing campaigns accordingly.

Our Digital Marketing Services include Social Media Optimization (**SMO**), Search Engine Optimization (**SEO**), Search Engine Marketing (**SEM**), Influencer Marketing, Blogs, Mobile Marketing, Billboards, Public Relations, Branding and Nurturing, Blogs, Email and SMS Marketing.

UX/UI DESIGN

Designing is one of the most crucial aspects of a website as you never know when a first impression becomes the last. It is highly important to develop a **user-friendly, eye-pleasing, and industry-specific website** according to different business domains. HTL has a team of **skilled Designers** with a creative outlook for every perception. Our team excels in creating your **desirable design** into a practical layout.

CONTENT CREATION

As we said earlier, we run through the complete hassle for you while you sit back in your office and watch all the work getting done swiftly. HTL has a **creative group of Photographers, Video Editors, Graphic Designers, Copy Writers, Content Writers, and Social Media Experts** to develop the content for your brand. Our team preserves the experience of creating **game-changing content** for various acknowledged brands.

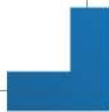

HTL is a sturdy adherent of its

work ethics

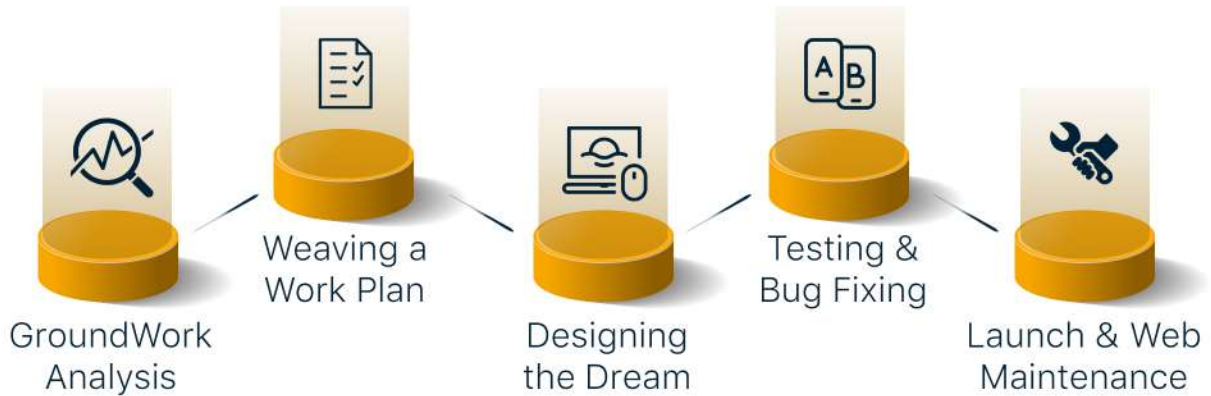

∅ an embodiment of its values

which reflect *who we are*

and what we stand for as an entity.
